Annual Report 2022

In November 2021, we launched the first BIPOC Mental Health and Behavioral Health Provider Directory in Cincinnati, sponsored by Interact for Health. There have been 274 downloads an increase of **219%** since the launch.

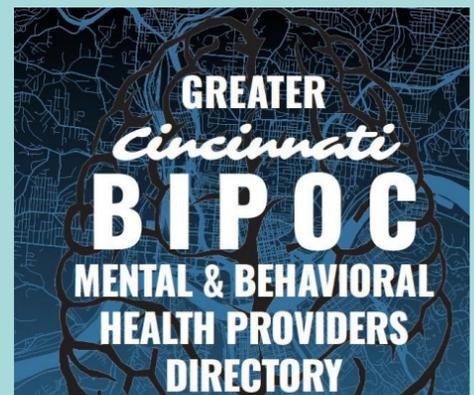

274
Downloads

64%

Sixty-four percent of Cincinnati communities reached.

Sixty-four percent of community members that downloaded the directory self-identified as BIPOC.

Let's co-create the 2023 directory together; please share the [survey](#) with BIPOC Mental and Behavioral Health Providers to complete.
